

BOOK 1 – WEEK 3	<i>Interactive Read Aloud Foundational Skills</i> -Letter and Sound Identification -Phonological & Phonemic Awareness Activity 1 -Generalization Activities -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Reading Comprehension Foundational Skills</i> -Letter and Sound Identification -Decoding -Generalization Activities -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Interactive Read Aloud Foundational Skills</i> -Letter and Sound Identification -Phonological & Phonemic Awareness Activity 2 -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Interactive Read Aloud Language Foundational Skills</i> -Letter and Sound Identification -Decoding -Generalization Activities -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Interactive Read Aloud Writing</i> -Generalization Activities -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>
	<i>Measurement and Data</i> -Math Warm-Ups -Concept Building (Test) -Generalization Activity (Pick 1) -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Math All Around Us</i> -Math Warm-Ups -Core Vocabulary and Concepts -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Math All Around Us</i> -Math Warm-Ups -Word Problem Solving (no Test) -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Math All Around Us</i> -Math Warm-Ups -Word Problem Solving (Test) -Generalization Activity (Pick 1) -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Generalization Activities</i> -Math Warm-Ups -Generalization Activities (Pick 1 from each of last 2 segments) -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>
	<i>Applying What We Know</i> -Core Vocabulary and Concepts -Generalization Activities -Teacher-Led Computer Lessons		<i>Making Connections</i> -Core Vocabulary and Concepts -Finding What We Know -Teacher-Led Computer Lessons		<i>Making Connections</i> -Core Vocabulary and Concepts -Concept Building -Generalization Activities -Teacher-Led Computer Lessons
		<i>Applying What We Know</i> -Core Vocabulary and Concepts -Generalization Activities -Teacher-Led Computer Lessons		<i>Applying What We Know</i> -Core Vocabulary and Concepts -Generalization Activities -Teacher-Led Computer Lessons	
BOOK 2 – WEEK 1	<i>Interactive Read Aloud Foundational Skills</i> -Letter and Sound Identification -Phonological & Phonemic Awareness Activity 1 -Generalization Activities -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Reading Comprehension Foundational Skills</i> -Letter and Sound Identification -Decoding -Generalization Activities -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Interactive Read Aloud Foundational Skills</i> -Letter and Sound Identification -Phonological & Phonemic Awareness Activity 2 -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Interactive Read Aloud Language Foundational Skills</i> -Letter and Sound Identification -Decoding -Generalization Activities -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Interactive Read Aloud Writing</i> Generalization Activities Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>
	<i>Numbers & Operations in Base 10</i> -Math Warm-Ups -Core Vocabulary and Concepts -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Numbers & Operations in Base 10</i> -Math Warm-Ups -Concept Building (no Test) -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Numbers & Operations in Base 10</i> -Math Warm-Ups -Concept Building (Test) -Generalization Activity (Pick 1) -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Time</i> -Math Warm-Ups -Core Vocabulary and Concepts -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>	<i>Time</i> -Math Warm-Ups -Concept Building (no Test) -Teacher-Led Computer Lessons <i>Student-Led Computer Session (all subjects)</i>
		<i>Understanding Big Ideas</i> -Core Vocabulary and Concepts -Concept Building -Teacher-Led Computer Lessons		<i>Understanding Big Ideas</i> -Core Vocabulary and Concepts -Generalization Activities -Teacher-Led Computer Lessons	
	<i>Understanding Big Ideas</i> -Core Vocabulary and Concepts -Concept Building -Teacher-Led Computer Lesson		<i>Understanding Big Ideas</i> -Core Vocabulary and Concepts -Generalization Activities -Teacher-Led Computer Lessons		<i>Understanding Big Ideas</i> -Core Vocabulary and Concepts -Concept Building -Teacher-Led Computer Lessons
